Dear Scott,

Thank you for Quemetco, Inc.'s donation to the Boys & Girls Club of West San Gabriel Valley. Your support, in the amount of \$10,000, helps provide our Club's children, especially those who need us most, with access to life-changing programs and growing opportunities to start them on a path to great futures.

Boys & Girls Club of West San Gabriel Valley serves more than 5,000 youth who live in San Gabriel Valley and Boyle Heights. We have sites in Monterey Park, Baldwin Park and La Puente as well as two housing projects in Boyle Heights: Ramona Gardens and Estrada Courts. We serve an average of 1,000 kids on a daily basis. Most of the youth we serve are from low-income families, are English Learners, and are considered at-risk. Our mission is *to enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens.*

It is only because of committed partners and generosity of people like you that our kids have the resources, the guidance and the support system to help them grow up to be productive, caring and responsible citizens. Together, we will continue this great work and improve the lives of kids that need us most.

On behalf of the youth we serve, thank you for believing in our mission to positively impact and transform this community through the development of our youth.

Sincerely,

JR Dzubak
